Keystone is a Health Maintenance Organization (HMO). This is a managed care program. Coverage is available when your care is provided or referred by a Keystone primary care physician (PCP). Your Keystone PCP may also refer you to other Keystone providers for care, if needed. Designated Site – PCPs are required to choose one radiology, physical therapy, occupational therapy, and laboratory provider where they will send their Keystone members. You can view the sites selected by your PCP at www.ibx.com.

This summary represents only a partial listing of benefits and exclusions of the Medical Program described in this summary. If your employer purchases another program, the benefits and exclusions may differ. Also, benefits and exclusions may be further defined by medical policy. As a result, this managed care plan may not cover all of your health care expenses. Read your contract/member benefit booklet carefully for a complete listing of terms, limitations, and exclusions of the program. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.ibx.com/LGBooklet or call 1-800-ASK-BLUE (TTY: 711).

Benefits may be changed by Independence Blue Cross to comply with applicable federal/state laws and regulations.

Certain services require preapproval/precertification by the health plan prior to being performed. To obtain a list of services that require authorization, please log on to <http://www.ibx.com/preapproval> or call the phone number that is listed on the back of your identification card.

Dental Benefit Highlights

Basic Dental Program

Routine Covered Services

Keystone Health Plan East's Dental Program stresses prevention of dental disorders by encouraging you to have regular checkups. After a \$5 copayment per visit, Keystone Health Plan East's Basic Dental Program provides 100% coverage for:

- Bitewing X-Ray
- Cleanings
- Fillings
- Fluoride Treatments
- Oral Examinations

With Keystone Health Plan East's Dental Program, there are no deductibles and no annual maximums.

Discounts Available for other Dental Care

Additional dental care is offered at discounted amounts when visiting a participating provider, such as:

- Bridges
- Crowns
- Dentures
- Endodontics
- Oral Surgery
- Orthodontic Services
- Root Canals
- Treatment of Gum Disease

How the Program Works

- You must select a participating primary dental office for you and your family from the Primary Dental Office Network listed in the Dental Directory. All family members must receive treatment from the same primary dental office. Once coverage is effective, you may call the primary dental office you have selected for an appointment.
- Additional specialty services may be offered at a discount when visiting a participating provider.

How to Receive Your Dental Benefits

Be sure to indicate the name and number of the primary dental office you have selected from the network in section three of the Keystone Health Plan East Enrollment Form. Return the completed Keystone Health Plan East Enrollment Form to your benefits office.

This summary represents only a partial listing of benefits of the Basic Dental Program described in this summary. If your employer purchases another program, the benefits may differ. Also, benefits may be further defined by the dental policy. As a result, this dental plan may not cover all of your dental or health care expenses. Read your contract/member benefit booklet carefully for a complete listing of terms limitations of the program. If you need more information, please call **1-800-ASK-BLUE** (TTY: 711).

This is intended only to be a summary to the services provided under the Basic Dental Program. For a complete listing of benefits refer to the Group Master Contract provided to your employer. As with Keystone Health Plan East's Medical Certificate of Coverage, there are specific exclusions and limitations under this Dental Program, including but not limited to: Services of dentists who are neither participating general dentists nor participating specialists; Services obtained from a specialist without written authorization from a participating primary dentist; Dental services or supplies that are cosmetic in nature, including personalized or specialized techniques; Dental services performed or initiated prior to the effective date of coverage or completed after the termination date of coverage; Dental services or supplies which are unnecessary or experimental according to accepted standards of dental practice; Surgical implants; Periodontal splinting; Services related to the treatment of temporomandibular joint dysfunction; General anesthesia; Any dental service for which the member is eligible under worker's compensation, under federal, state or local government programs, or dental services for which, in the absence of any health services or insurance program, no charge would be made to the individual; Services, the costs of which has been or is later recovered in any action at law or in compromise or settlement of any claim; Dental services performed in a hospital; Charges for broken appointments; Charges for additional treatment necessitated by lack of patient cooperation or failure to follow a professionally prescribed treatment plan; Treatment required as a result of an accidental injury, except for emergency treatment to relieve pain, and Services other than those specifically listed on the schedule.
