

# GET TO KNOW YOUR MyUnion Nurse

## Carol Halpern MBA, RN

*Care Transition Navigator*

Carol has dedicated her career to nursing and supporting the health and wellness of people living in the Philadelphia region. In fact, she has been a registered nurse for 27 years with a focus in cardiology, pulmonary, diabetes, and medical-surgical nursing. Carol has experience in health education and disease prevention, long term care, home care and hospital discharge planning.

*“Don’t underestimate the power of preventative care.  
Stay on top of your annual visits with your primary care physician.”*

**Consider Carol as your personal resource who will provide you with support for the following services:**

- Locating necessary health care providers, such primary physicians, specialists, and dentists
- Scheduling appointments and joining member or dependents at appointment, if requested
- Obtaining services, medical supplies and equipment
- Providing answers to health care related questions
- Visiting members or dependents during an inpatient hospital stay

**You can contact Carol by calling 267-940-8435 | M,W,F until 4:30 PM and T,R until 5:30 PM**
